Say it out loud

¿Qué día es hoy?
What day is it today?

Hoy es lunes.
Today is Monday.

Mañana es martes.
Tomorrow is Tuesday.

Nos vemos el viernes.
See you on Friday.

3 quick rules

No capital letters unless the day starts a sentence.

el lunes = on Monday. **los lunes** = every Monday.

Calendars in Spanish start the week on **Monday**.

Memory trick

lunes comes from *luna* (moon), **martes** from Marte (Mars), **miércoles** from Mercurio, **jueves** from Júpiter and **viernes** from Venus. **Sábado** comes from Sabbath and **domingo** from the Latin for "Lord's day."
